

Livorna Family Reunion

Where/When: Livorna Swim Club

Saturday , July 18th, 4:00 P.M.

We are all so fortunate to “LIV” in such a great neighborhood, with a long history of family oriented activities and events, fond memories of time spent with neighbors and friends, and a swim club that has thrived for many decades. Paddock Hills Homeowners Association and the Livorna Swim Team are pleased to announce that we will be holding our first ever Family Reunion!

Did you grow up in the neighborhood? Did you or your kids swim for Livorna Swim Team? Did you coach for Livorna? Do you have someone in mind that you know would appreciate hearing about this event? Please pass this flier along to them. All neighborhood families from year’s past and current residents are welcome to attend!

Come help us celebrate many years of Livorna tradition with a fun night of food and drink, conversation with Livorna families new and old, a chance to communicate awesome memories from days at the pool or in the community, and an opportunity to come check out some of the pool’s new features (Score board, record board, coaches office). Please bring an appetizer and/or drink to share!
